# LYRICS

Snow is falling  
All around me  
Children playing  
Having fun  
It's the season  
Of love and understanding  
Merry Christmas everyone

We're gonna have a party tonight  
I'm gonna find that girl underneath the mistletoe  
and kiss by candle light

Time for parties and celebrations  
People dancing all night long  
Time for presents and exchanging kisses  
Time for singing Christmas songs

We're gonna have a party tonight  
I'm gonna find that girl underneath the mistletoe  
And kiss by candle light

Room is swaying, and records playing  
All the old songs, we love to hear  
All I wish that every day was Christmas  
What a nice way to spend the year

All I wish that every day was Christmas  
What a nice way to spend the year

What a nice way to spend the year  
Oh ho ho ho  
Merry Christmas everyone  
Merry Christmas
