

# BBC Children in Need:

## Appeal Day Planner

Lesson	Activity	Description	Website Link
Welcome	<b>KS1 BBC Children in Need Cursive Handwriting Practice Worksheets</b>	Provide a calm independent activity that children can do as soon as they come in while the teacher takes the register. These Children in Need worksheets will help children to develop their fine motor skills and to practise their handwriting.	<a href="#">Link</a> 
Phonics	<b>BBC Children in Need Game: Pudsey's Phonic Fun</b>	This resource includes easy-to-follow instructions, colourful counters and a game board. To complete the game, children must donate all of their picture coins into Pudsey's bucket using the oral blending clues from an adult to find the right coin.	<a href="#">Link</a> 
English	<b>Pudsey's Great Fundraiser Story Map</b>	Use this brilliant story map to retell the main events of the Twinkl Originals story 'Pudsey's Great Fundraiser'. This worksheet could be used as a starting point for the children to write their own stories.	<a href="#">Link</a> 
Assembly	<b>KS1 BBC Children in Need Assembly Pack</b>	Use this lovely KS1 assembly pack to help your children learn all about BBC Children in Need.	<a href="#">Link</a> 
Live at 12 p.m.	<b>BBC Moodboosters</b>	Get ready to boost your mood with BBC Moodboosters. Join in live with children from primary schools around the UK at 12 p.m. for the launch of a fun, new campaign led by famous faces, aimed at helping children feel good and understanding their emotions.	<a href="#">Link</a> 

Lesson	Activity	Description	Website Link
Maths	KS1 BBC Children in Need Pudsey's Fundraising Maths Board Game Pack	Board games for KS1 are a great way to teach your class basic instructional words, such as 'roll', 'throw' and 'pass' and this Children in Need game introduces more complex words like 'fundraising' to the mix. All the questions are maths based and will encourage children to work out key stage appropriate calculations to further themselves in the game.	<a href="#">Link</a> 
Create	BBC Children in Need Pudsey Colour by Number	This Pudsey Colour by Number activity is a great way to encourage independent thinking and working. Your students will be too busy having fun to even realise they are learning their numbers at the same time! This engaging colouring activity can help to develop children's number recognition as well as their pencil control and fine motor skills.	<a href="#">Link</a> 
Afternoon Register Time	KS1 BBC Children in Need Addition and Subtraction Maths Activities	Themed around a fundraising bake sale, these individual worksheets cover addition and subtraction within 10 and addition and subtraction within 20. It also includes a codebreaking worksheet which involves addition and subtraction within 30.	<a href="#">Link</a> 
PSHE	BBC Children in Need KS1 Reach for the Stars Lesson Pack	Use this fantastic BBC Children in Need KS1 Reach for the Stars Lesson Pack to introduce children to the importance of friendship in challenging times. This pack contains a lesson plan, presentation and all the worksheets needed to explore ideas around the importance of friendship in achieving our potential.	<a href="#">Link</a> 
Craft	KS1 BBC Children in Need Joe Wicks' Healthy Bakes Recipe	This Joe Wicks healthy bake recipe for blueberry and banana muffins is the perfect healthy snack. It is ideal for teaching young children about healthy snacks and that not everything needs to include sugar to be tasty. These delightful banana and blueberry muffins are also perfect for fundraising for BBC Children in Need!	<a href="#">Link</a>
