

BBC Children in Need:

Appeal Day Planner

Lesson	Activity	Description	Website Link
Welcome	BBC Children in Need What Makes Us Special Differentiated Worksheets	How does this resource excite and engage children's learning? Children use these differentiated worksheets to draw and write about what makes you special.	Link 
Guided Reading	UKS2 The History of BBC Children in Need Comprehension Activity	This resource contains three differentiated fact files and corresponding comprehension questions. This means that this Children in Need comprehension activity can easily be tailored to suit a range of different reading abilities, allowing you to make sure that all children can get the best out of this activity.	Link 
English	KS2 BBC Children in Need: Persuasive Letter Writing Resource Pack	Find out more about BBC Children in Need and write a persuasive letter to your headteacher with this informative pack. Detailing BBC Children in Need's vision and work to date, this pack provides a real-life opportunity for persuasive writing and contains everything you need to make a difference to disadvantaged children and young people across the UK.	Link 
Live at 12 p.m.	BBC Moodboosters 	Get ready to boost your mood with BBC Moodboosters. Join in live with children from primary schools around the UK at 12 p.m. for the launch of a fun, new campaign led by famous faces, aimed at helping children feel good and understanding their emotions.	Link

Lesson	Activity	Description	Website Link
Assembly	KS2 BBC Children in Need Assembly Pack	This pack includes a KS2 level assembly presentation and script for teachers to follow. The presentation features key information about the charity, the types of projects it funds and the children it helps.	Link 
Maths	UKS2 BBC Children in Need Codebreaker Differentiated Worksheets	The differentiated worksheets help you and your class practise addition, subtraction, multiplication and division fluency skills. Included are two worksheets covering objectives from Year 5 and two worksheets covering objectives from Year 6. Overall, it's a fabulous Pudsey maths activity and is perfect for introducing this charity event to your UKS2 students.	Link 
Afternoon Register Time	KS2 BBC Children in Need Colour by Calculation Maths Differentiated Worksheets	This Children in Need Maths Colour by Calculation Activity provides you with four printable different colour by number sheets that ask the children to complete a calculation to determine which colour they should use to fill out the poster.	Link 
Mindfulness	BBC Children in Need Mindfulness Colouring Pages	Instil some calm into your classroom and introduce your pupils to the wonderful world of mindfulness using these BBC Children in Need Mindfulness Colouring Pages. Perfect to use at the end of the day to calm the mind and encourage reflection on a day of learning. These beautifully illustrated colouring pages feature three intricate BBC Children in Need themed designs to familiarise children with the charity.	Link 
PSHE	BBC Children in Need KS2 Reach for the Stars Lesson Pack	Use this fantastic BBC Children in Need KS2 Reach for the Stars Lesson Pack to introduce children to the importance of friendship when facing challenges. This pack contains a lesson plan, presentation and all the worksheets needed to explore ideas around the importance of friendship in achieving our potential. It encourages children to plan their own fundraising ideas to support BBC Children in Need.	Link
